

	Thursday, Dec 4, 2025			
07:30-08:30	Registration, breakfast & exhibition Breakfast with the expert			
	Hall A	Hall B	Hall C	
08:30-10:00	Session 1 Innovation and technology: Pioneering Intelligence - AI and Technology Transforming Perioperative Care	Session 2 Ethics: Beyond the Line: Ethical Dilemmas in Modern Anesthesia	Session 3 Perioperative: Advancing perioperative medicine: AI, technology, protocols and education for better outcomes	Session Secretaries and Technicians
	Moderators: Dr. Dina Orkin & Prof. Barak Cohen	Moderators: Dr. Einat Refaeli Awin & Dr. Benjamin Zribi	Moderators: Dr. Yotam Weiss & Dr. Shir Morgenstern	Details TBA 9:00-10:00 Part I
	08:30-08:45 AI and autonomous sytems in Anesthesiology Prof. Maxime Cannesson, David Geffen School of Medicine at UCLA, CA, USA *eng	08:30-08:45 Ethical boundaries of professional patient care: residents or specialists in "pediatric/neuro or cardiac anesthesia" ? Prof. Haim Berkenstadt, Sheba Tel-Hashomer Medical Center	08:30-08:45 From Opioid Induced Hyperalgesia to Opioid Free Analgesia to Precision Anesthesia Based on EEG and Nociception Monitoring: 20 years Of Storytelling for Innovation in Anesthesia Management Prof. Philippe Richebe, University of Montreal, Montreal, Quebec, Canada *eng	
	08:45-09:00 How AI could improve patient safety in critical care? Prof. Daniel Talmor, Beth Israel Deaconess Medical Center, Boston USA *eng	08:45-09:00 Measuring patient experience after anesthesia care Dr. Michal Livne, Beilinson Medical Center *heb	08:45-09:00 From data to decision: building and deloyinhg a machine learning-based model for PONV prevention Dr. Maxim Glebov, Sheba MC	
	09:00-09:15 Integrated digital ecosystem- Centralized OR intelligence Dr. Dina Orkin, Sheba Tel-Hashomer Medical Center director 3D center plannet	09:00-09:15 Work under threat. Personnal and patient safety. Where are we standing in Israel? Dr. Shai Fein, Beilinson Medical Center *heb	09:00-09:15 Perioperative Obstructive Sleep Apnea Management Protocol with Attention to Hypoglossal Nerve Stimulators Prof. Suzanne Karan, University of Rochester USA *eng	
	09:15-09:30 AI and peer review, friend or foe? Dr. Ruth Shaylor, Tel Aviv Sourasky Medical Center Ichilov *eng	09:15-09:30 Consent under duress. What is the value of informed consent when the patient is under threat? Dr. Maia Bar, Beilinson Medical Center *heb	09:15-09:30 Burns management- collaboration is key Prof. Joel Symons, Alfred Hospital, Melbourne, Australia *eng	
	09:30-09:45 Using AI to drive quality improvement at large scale Dr. Ido Zamberg, Johns Hopkins, School of education, USA- McGill University Helath Center, Division of Expeirmental Medicine, Canada *eng	09:30-09:45 Women in anesthesia- Is there full equality of opprortunity at work? What are the barriers ? How do we cope with reality? Dr. Danielle Furman, Beilinson Medical Center	09:30-09:45 Perioperative Anesthesia Practice in Israel: Insights from a Nationwide Cross-Sectional Survey Dr. Ron Eshel, Tel-Aviv Sourasky Medical Center *eng	
	09:45-10:00 Q&A			
10:00-10:30	Coffee break & exhibition Pitch the crowd Sponsored			

10:30-11:40	Session 4 World Federation of Societies of Anaesthesiologists (WFSA) Global Perspectives and Practical Solutions	Session 5 Cardio-thoracic Redefining boundaries: the future of cardiothoracic anesthesia	Session 6 Perioperative medicine in focus: diabetes, metabolism and anesthesia	Session Secretaries and Technicians
	Moderators: Prof. Emilia Guasch & Prof. Alexander Ioscovitch	Moderators: Dr. Ruth Shaylor & Dr. Abed Masarwee	Moderators: Dr. Amir Zabida & Dr. Mostafa Somri	Details TBA 10:30-11:30 Part II
	10:30-10:45 The WFSA Obstetric Anesthesia Subcommittee: Purpose and Activities Prof. Emilia Guasch, Hospital universitario Fundación Jiménez Díaz, Madrid, Spain *eng	10:30-10:45 A new era in interventional cardiology: what the future looks like Prof. Gabi Elbaz, Hadassah Medical Center	10:30-10:45 Current treatments of diabetes mellitus Prof. Amir Tirosh, Director of the division of endocrinology, Sheba Tel-Hashomer Medical Center	
	10:45-11:00 Can European High-Income Countries Do Practical Things to Improve Maternal Peripartum Care in Low- and Middle-Income Countries? Prof. Alexander Ioscovitch, Shaare Zedek Medical Center, Jerusalem, Israel *eng	10:45-11:00 When the heart is a machine- Lessons from an historic implantation Dr. Ralitsa Stoyanova, Hadassah Medical Center *eng	10:45-11:00 Diabetes and GLP1-RA Dr. Yulia Frenkel, Sheba Tel-Hashomer Medical Center	
	11:00-11:15 Teaching Obstetric Anesthesia: Pearls and Tips Prof. Ruth Landau, Columbia University Irving Medical Center, New York, USA *eng	11:00-11:15 Block to the Future: The Hype, the Hope, and the Enduring Truths in Analgesia for Thoracic Surgery Dr. Raphael Cooper, Tel Aviv Sourasky Medical Center Ichilov	11:00-11:15 What is the optimal HbA1C before elective surgery? Dr. Tatiana Birg, Hadassah Medical Center *eng	
	11:15-11:30 Obstetric Anesthesia Fellowship: Expectations, Goals, and My Personal Experience Dr. Yahya Aljuba, Al-Ahli Hospital, Hebron, Palestinian Authority *eng	11:15-11:30 Congenital heart disease what do you need to know in 2025? Dr. Daniel Braund, Rambam Healthcare campus	11:15-11:30 Anesthesia for bariatric surgery- VA or TIVA? Dr. Eitan Mangoubi, Carmel Medical Center	
	11:30-11:45 Q&A			
11:45-12:45 / 11:45 - 13:00	Session 7 Advances in Ambulatory Anesthesia: Guidelines, Technology, and Patient-Centered Care	Session 8 Innovation Meets Sustainability: Building a Cleaner Future for Anesthesia	Session 9 International Support for Anesthesia and Critical Care in Israel ISAAC 18	Session PACU Nurses
	Moderators: Dr. Alexander Dukhan & Dr. Ilia Shnaider	Moderators: Dr. Orit Nahtomi-Shick & Prof. Alexander Avidan	Moderators: TBD	Details TBA 11:30-13:00 Part I
	11:45-12:00 Perioperative anemia: evolving concepts and strategies for improving patient outcomes Prof. Tiberiu Ezri, Kaplan Medical Center	11:45-12:00 Greening the OR: Sustainable practices to reduce environmental impact Dr. Orit Nahtomi Shick, Shaare Zedek Medical Center	11:45-12:05 Leveraging the international community of anesthesiologists and critical care physcinas to support staffing, training and scholarly collaborations	
	12:00-12:15 ERAS for children in ambulatory surgery Dr. Yelena Zeitlin, Schneider Children's Medical Center	12:00-12:15 Sustainability and environmentally responsible practices in anesthesiology Prof. David Polaner, Seattle Children's hospital *eng	12:05-12:25 Updates, Questions and Answers Panel discussion: Prof. Ron Samet, University of Maryland Shock Trauma Center, USA Prof. Barak Cohen, Tel Aviv Sourasky Medical Center Ichilov, Israel	
	12:15-12:30 Management of patients with neuroelectronic devices Dr. Amir Said, Kaplan Medical Center	12:15-12:30 Balancing patient care and environmental responsibility: the future of anesthetic gases Prof. Alexander Avidan, Hadassah Medical Center *heb	Prof. Ruth Landau, Columbia University NYC, USA Prof. Suzanne Karan, University of Rochester, USA Prof. Joel Symons, Alfred hospital Melbourne, Australia Dr. Dan Zeloof, University of Sydney, Australia	
	12:30-12:45 Diabetes mellitus – New guidelines for Ambulatory Surgical Centers Dr. Anan Faruja, Carmel Medical Center	12:30-12:45 Environmental solutions for the operating rooms- what does the future hold? Prof. Raanan Raz, School of Public Health Sciences, Tel Aviv University *eng	12:25-12:45	
	12:45-13:00 Patient-centered anesthesia Dr. Dina Orkin, Sheba Tel-Hashomer Medical Center	12:45-13:00	12:45-13:00	

13:00-14:00	Lunch 13:00-14:00 Lunch Symposium - <i>Sponsored</i>			
14:00-15:00	Plenary Session Moderator:			
14:00-14:07	Welcome - Dr. Stephane Ledot, Conference President			
14:10-14:30	Keynote talk 1 The Future we shape. Redefining the edges of Anesthesiology and Perioperative Medicine Prof. Maxime Cannesson			
14:30-14:50	Keynote talk 2 The AI based hospital vision Dr. Ayelet Axelrod			
14:50-15:00	Q&A			
15:05-15:20	Prof. Barak Cohen, President, Israel Society of Anesthesiologists			
15:30-17:10	Session 10 Geriatric: Precision and innovation in geriatric anesthesia: EEG, AV-VR and sex specific insights	Session 11 Frontiers in Anesthesia Research: translating knowledge into personalised care	Session 12 From Routine to Emergency: Resident Perspectives on Perioperative Crises	Session PACU Nurses
	Moderators: Prof. Idit Matot & Dr. Stephane Ledot	Moderators: Prof. Yehuda Ginosar & Dr. Tomer Nir	Moderators: Dr. Lilach Hazan Van Duijn & Dr. Eitan Mangoubi	Details TBA 15:00-16:30 Part II
	15:30-16:00 Before it's too late: EEG as a real-time warning system to detect and treat intraoperative brain injury Dr. Dana Baron Shahaf, Rambam healthcare campus	15:30-15:50 Ketamine triple action in cancer: anti-pain, anti-depression, anti-tumor Dr. Joshua Mincer, Memorial Sloane Kettering Cancer, NYC, USA *eng	15:30-15:45 When routine becomes complex:post mastoidectomy prolonged awakening Dr. Sarina Sheiner, Kaplan Medical Center	
	16:00-16:20 Personnalised anesthesia titrated to the real need of the patients for improving post operative recovery and outcomes: a focus on the geriatric population Prof. Philippe Richebé, University of Montreal, Canada *eng	15:50-16:10 Innovations in monitoring technologies Prof. Maxime Cannesson, University of California Los Angeles health, USA *eng	15:45-16:00 Breathless Moments: Diagnosis and Management of Perioperative Laryngospasm Dr. Netanel Suissa, Emek Medical Center *heb	
	16:20-16:40 The use of augmented and virtual reality (AV/VR)in anesthesia and intensive care: targeting modifiable risk factors for post operative delirium Dr. Yotam Weiss, The Tel Aviv Sourasky Medical Center, Israel	16:10-16:30 The brain, awareness and data Prof. Aeyal Raz, Rambam Health Care Campus *eng	16:00-16:15 An Unexpected Turn in Routine Procedure Dr. Noa Abrahami, Galilee Medical Center *heb	
	16:40-17:00 Sex Matters in the Delirium Spectrum: New Insights into Postoperative Trajectories Dr. Ron Eshel, The Tel Aviv Sourasky Medical Center, Israel *eng	16:30-16:50 Moving Toward Asleep DBS: Balancing Cost, Benefit, and Practical Reality Prof. Hagai Bergman, The Edmond and Lily Safra Center for Brain Sciences, Hebrew University, Jerusalem	16:15-16:30 When Every Breath Counts: Acute Management of the Difficult Airway in the ER Dr. Maxim Pugachov, Soroka Medical Center *heb	
	17:00-17:10	16:50-17:10		
17:10-17:25	Coffee and leg stretching			

17:25-18:40	Session 13 Brains and the battles: Advances in Neuroanesthesia and Trauma Care	Session 14 Regional: Beyond the Needle: Evolving Practice in Locoregional Anesthesia	Session 15 What's new in ICU?	
	Moderators: Dr. Eilat Kahana Horovitz & Dr. Tomer Nir	Moderators: Dr. Evgeni Reider & Dr. Shiri Savir	Moderators: Dr. Dana Bar-On Shahaf & Prof. Philip Levin	
	17:25-17:42 Dilemma in the shocked trauma patient: to intubae or not? Prof. Alexander Zlotnik, Soroka Medical Center *heb	17:25-17:42 New face of spinal anesthesia you have never met before Dr. Dennis Novakovski, Herzeliya Medical Center *eng	17:25-17:42 Decision support system in intensive care Prof. Amit Frenkel, Soroka Medical Center *heb	
	17:42-17:59 Use of the Belmont rapid infuser in the trauma bay Dr. Shahar Negev, Soroka Medical Center *heb	17:42-17:59 Modern approach to the Multi modal Analgesia Dr. Shiri Savir, Head of Pain Clinic, Soroka Medical Center *eng	17:42-17:59 The refractory distributive shock. Do we know what we are facing? Prof. Serban-Ion Bubenek-Turconi, Carol Davila Univeristy of medicine and pharmacy Bucharest, Romania	
	17:59-18:16 Damage control in orthopedic trauma patient- you are the key! Dr. Asaf Acker, Soroka Medical Center *eng	17:59-18:16 Parasternal and fascial plane blocks in cardiac surgery Dr. Boris Livshits, *heb	17:59-18:16 Why clinical trials in ARDS fail? Prof. Daniel Talmor, Beth Israel Deaconess Medical Center, Boston USA *eng	
	18:16-18:33 The role of dexmedetomidine in neuroanesthesia for craniotomy Dr. Binyamin Eisen, Beilinson Medical Center *heb	18:16-18:33 Nerve injuries after blocks in era of Ultrasound guided Regional Anesthesia Prof. Ron Samet, University of Maryland Shock Trauma Center, USA *eng	18:16-18:33 Burn management, collaboration is key Prof. Joel Symons, Alfred Hospital Melbourne, Australia *eng	
	18:33- 18:40 Q&A			
after 18:40	Happy Hour (Pre-registration)			

Friday, Dec 5, 2025				
07:30-08:30	Registration and coffee			
	Hall A	Hall B	Hall C	
08:30-10:00	Session 16 Obstetrics anesthesia: evidence, innovation and clinical excellence	Session 17 Innovations and Challenges in Pain Management	Session 18 Education: Pixels, Printers and Prototypes: Modern tools for education	Round Tables <i>Sponsored by</i>
	Moderators: Dr. Yair Benyamin & Dr. Jacob Weinstein	Moderators: Dr. Silviu Brill & Dr. Yulia Prud	Moderators: Dr. Rony Hakim & Dr. Aviva Green	08:00-10:30 On invitation only
	8:30-8:50 New tools for the management of PPH Prof. Emilia Guasch ,Hospital universitario Fundación Jiménez Díaz. Madrid. Spain *eng	8:30-8:50 Neuromodulation in chronic pain Dr. Hagai Sharon , Tel Aviv Sourasky Medical Center Ichilov	08:30-08:50 Creative arts in simulation, Dr. Osnat Cohen Rosenboim , Tel Aviv Sourasky Medical Center Ichilov	
	8:50-9:10 Pain during cesarean delivery: best to prevent, but if not, what's next? Prof. Ruth Landau , Columbia University Irving Medical Center, New York, USA *eng	08:50-09:10 Without dependence: Real-world data reducing opioid use in modern Anesthesia and post surgical care Dr. Ruth Edry , Rambam hospital, Haifa *heb	08:50-09:10 3 D printed airway simulator for fiber optic training Prof. Rachel Kaye , New Jersey Medical Center *eng	
	9:30-9:50 Guided strategies for fibrinogen replacement in obstetrics Assoc Prof. Sharon Abramovitz , Weill Cornell university, NYC	9:10-9:30 Therapeutic approach in pelvic pain Dr. Dorin Goldsmith , Tel Aviv Sourasky Medical Center Ichilov *eng	09:10-09:20 Safe practice, better care: a novel multi-disciplinary simulation team in Soroka University Medical Center Dr. Galia Karp Kahana , Soroka Medical Center	
	9:10-9:30 Updates in labor analgesia including the new ESAIC guidelines Dr. Yair Binyamin , Soroka Medical Center	9:30-9:50 Cannabis- is there a role in the treatment of acute pain? Prof. Elyad Davidson , Hadassah Medical Center	09:20-09:30 Teaching how to better diagnose acute stroke through VR glasses Dr. Amiad Schreiber , Senior training developer. Simulect, Clalit health services & Dr. Asaf Danziger , Soroka Medical Center	
10:00-10:30	Coffee break			

10:30-12:00	Session 19 Leadership: Leadership in action: From vision to impact	Session 20 Beyond the Scope: Evolving Strategies in Airway Management	Session 21 Pediatrics	Round Tables Sponsored by
	Moderators: Prof. Ron Samet & Prof. Yoram Weiss	Moderators: Dr. Ariel Ronen & Dr. Zoya Haitov	Moderators: Dr. Gabriella Aschkenasy & Dr. Margaret Ekstein	10:30-12:00 On invitation only
	10:30-10:45 Lecture title TBA Prof. Yoram Weiss, Hadassah Ein Kerem *eng	10:30-10:40 Should we abandon Direct Laryngoscopy teaching? Dr. Ariel Ronen, Hadassah Medical Center *eng	10:30-10:40 Opioid free anesthesia in children Prof. David Polaner, Seattle Children's hospital	
	10:30-10:50 Everyday leadership: professionalism and mentorship Assoc. Prof Sharon Abramovitz, Weill Cornell, NY	10:40-10:50 Hot topics in Airway management – Highlights from WAMM 2025 Dr. Rivka Fuica, Hadassah Medical Center *eng	10:40-10:50 Target Controlled Infusion anesthesia (TCI) in children Dr. David Hoppenstein, Meir Medical Center *eng	
	10:50-11:10 Creating your path: your values, vision and success Prof. Ruthi Landau, Columbia University Irving Medical Center *eng	10:50-11:00 GLP-1 agony and anxiety. The practical vs the aspirational Dr. Dan Zeloof, North Shore hospital, Sydney Australia	10:50-11:00 High frequency ventilation in Congenital Diaphragmatic Hernia (CDH) repair Dr. Ludmyla Kachko, Schneider Children's Medical Center *heb	
	11:10-11:30 Driving excellence in transport: leadership lessons from Formula 1 Associate Prof. Zeev Goldik, Medica Excel Elisha hospital- Haifa Past President and Life Honorary Member- European Society of Anaesthesiology and Intensive Care *eng	11:00-11:10 Difficult Airway Preparedness in Practice Dr. Osnat Cohen-Rosenboim, Tel Aviv Sourasky Medical Center Ichilov *eng	11:00-11:10 One lung ventilation with a twist Dr. Dana Karol Hachmon, Schneider Children's Medical Center *eng	
	11:30-11:50 The ANTS bridge. From crisis clarity to corporate strategy Dr. Amit Lehavi, Rambam Healthcare campus	11:10-11:20	11:10-11:20	
	11:20-11:40 Q&A			
12:00-13:00	ISA annual assembly meeting			
13:00-13:30	Brunch
